

Solutions to Improve Leadership and Interpersonal Communication

Lucy Evelyn

Lucy is recognized for her uncompromising integrity in developing solutions to improve lives. She assists organizations in fostering environments that allow individuals to improve their ability to actively engage in achieving their fullest potential. As a result of her efforts, clients have been able to create lives of significance by adding value to themselves and others.

As a John Maxwell Certified Coach, Teacher and Speaker, Lucy offers workshops, seminars, keynote speaking, and coaching. These will aid your personal and professional growth through studying and practical application of John's proven leadership methods. Walking alongside you, Lucy will move you, your team or organization into a position where your goals are attainable.

As a Keynote Speaker, Lucy has made speeches and presentations to numerous organizations on strategies to develop leadership potential.
